

Coronavirus Guidance – 5 January 2021

Following the announcement from the Scottish Government on 4th January 2021, our updated Coronavirus guidance is outlined below.

1. Up to 2 golfers, from up to 2 households, can play provided they adhere to the Scottish Government's physical distancing rules and respect the guidelines.
2. We are not insisting on pre-booking, but we MUST keep a record of those who have played for track and trace purposes. So, on entering the course, keep to the right side of the clubhouse, where the payment box is, and, if there is no official on duty, sign the sign-up sheet with your name and the details requested. Use the hand sanitiser before signing in and use your own pencil.
3. If you wish to pre-book (currently only for 9 holes), you can do so online or download the Scottish Golf app (<https://scottishgolf.org/scottish-golf-app/>) and book through that. However please be aware that you may turn up and find that others are there at the same time. Pre-booking does not give you priority - please tee off in order of arrival. Even if you pre-book you should still sign in when you arrive.
4. The clubhouse remains closed so there is no access to changing rooms. If you need to change your shoes, please do so in the car park. We are not able to offer catering.
5. The outside toilet is open, but you should try not to use it. If you must use it, use the hand sanitiser beside it before going in and wash your hands afterwards following the hygiene rules. Please leave it as clean as you would wish to find it.
6. If there is someone on the first hole, wait near the veranda until the hole is clear, then go to the tee. If there is anyone else waiting, observe social distancing or go back to your car and wait.
7. All shared equipment has been removed. There are no bunker rakes. Smooth the sand as best you can with your club or foot. There are no bins. Please take your rubbish home. Flagsticks must not be touched.
8. There are no clubs or trolleys for hire.
9. All gates are open. Please leave them that way.
10. Don't pick up anyone's golf ball but your own.
11. After your round please leave the course by the large gate on the left into the car park.
